#### **Making Your Money Work Harder.**

*Today it is no longer enough to be professionally competent. We all need to be professionally and financially competent. More and more people are beginning to realize the power hidden in the word **investing**. Many want to find out how to acquire that power for themselves.*

*Emilio Kalmera will be guiding you on the path to investing from March 2<sup>nd</sup> to March 23<sup>rd</sup> 2021 via Zoom. The goals of the training are:*

- To teach you hands-on and give best practices how to go about investing in the best kept secret of preferred stocks which gives you a fixed return at relatively medium risk.*
- To teach you basic methodologies of financial analysis that reduces your workload so investing becomes easier to accomplish.*
- To teach you to make your money work harder so that eventually you can accomplish your goals quicker and live a more relaxed life.*

*All Zoom sessions will be recorded so you never miss a session if you cannot attend one of the live ones. Even when joining after the start date the recorded Zoom sessions allow you to catch up.*
